

## **SIRMOORI PANAMA**

From Christopher Lavender.

Just in case any Sirmooree likes the Panama on the right .... Griselda bought it at M&S in HK.

It might also be on sale in the UK?

In case you are wondering, the view is from the beautiful home in the Philippines of Dr John Simon (erstwhile RMO to 6 GR when Christopher Bullock was CO - and also a Dr at BMH Dharan and BMH HKG).
