

NEPAL COVID SITREP as at **22 JUN 21**

HEADLINES

1. The Foreign and Commonwealth and Development Office (FCDO) continue to be engaged in identifying Nepal's medical needs. Talks between the FCDO, Ministry of Health Nepal and Ambassador of Nepal UK continue.
2. Army Medical and Advisory Team (MAT) had a successful meeting with the Nepal Army (NA) 2-Star Crisis Management Coordination Centre (CMCC) Commander and the 2-Star DG Medical Services. There was no request submitted for military capability assistance only material.
3. Col Comdt, Deputy Col Comdt and HQBG staff continue to engage at appropriate levels to influence and enable the provision of the best possible support to Govt of Nepal (GoN) and Nepal Army. Deputy Col Comdt (Lord Lancaster of Kimbolton) has once again raised the question of support to Nepal in the [House of Lords](#) (see his statement at 2:01pm) and requested the provision of 2 million vaccines for Nepal.
4. Numerous groups in UK continue to lobby the UK Govt to send vaccines directly to Nepal. National policy remains to deliver through the COVAX initiative. The G7 countries agreed that "bilateral" donations of Covid vaccines, outside the COVAX commitment, were acceptable. **[President GBA](#) has written to the Prime Minister asking for the urgent provision of Covid vaccines to the people of Nepal under a "bilateral" agreement between the UK and Nepal.** ([Change](#)).
5. Nepal is to receive "a share" of the 7M Covid-19 vaccines given to 17 Asian countries by the US. This is part of the 19M vaccines donated to [COVAX](#) by the US. The UK has committed to providing 2M Covid-19 vaccines to Nepal through COVAX.
6. BG personnel have re-started compassionate leave and travel to Nepal. Travel to Nepal for compassionate cases originating in UK are to use the limited number of flights approved by the GoN.

POLITICAL

7. International

- a. The UN Nepal Covid Pandemic [SITREP](#) as at 21 June 21 gives a more detailed report on the situation in various parts of Nepal. Procurement of vaccines remains a critical gap and top priority. ([Change](#)).
- b. World Health Organisation (WHO) [COVAX](#), co-led by the Coalition for Epidemic Preparedness Innovations ([CEPI](#)), Global Alliance for Vaccines and Immunisation ([GAVI](#)) and WHO are operating in Nepal in order to identify the priority needs and the response required. COVAX distributed [348K vaccines on 7 Mar 21](#). Details of when the balance (1,572K) of the 1.92M vaccines allocated to Nepal will be delivered has yet to be promulgated. China [donated 800K](#) vaccines to Nepal in Apr 21. ([Change](#))
- c. International organisations operating in Nepal are liaising with the GoN about the repatriation of their non-essential staff.

8. Nepal

a. The Nepali PM on 4 Jun 21 during a [BBC interview](#) called on the UK to provide Covid vaccine either directly or through Gavi's Covax facility as cases surge. The [Kathmandu Post](#) questions why countries are failing to respond to Nepal's request for help. Nepal has confirmed that the purchase of 4M "Vero Cell" vaccines from China which is due to be delivered Sep 21. China is not happy with GoN's public announcement of the sale. Plans have been put in place for a new vaccination drive from mid-Jul 21. (Change).

b. The GoN has approved two flights a week to/from India and one flight to China mainly for medical supplies. Scheduled weekly flights, by a single airline, to China, Qatar and Turkey resumed from 1 Jun 21. All other international flights are suspended until **30 Jun 21** (extended from 31 May). (Change).

c. Domestic Airlines are suspended until further notice.

d. The GoN has given rights to each local government to impose a lockdown or take any other additional measures if COVID cases reach certain limits. Lockdown in Kathmandu Valley has been extended until **29 Jun 21** other areas are following the capitals lead. (Change).

e. There has been limited relaxations put in place, private vehicles and taxis are allowed on the roads on an odd-even day basis, shops have been allowed to reopen on certain days and food delivery service is being permitted. (Change).

f. MedCiti Hospital in Kathmandu is now reporting availability of COVID beds, critical and non-critical wards. Occupancy is still over 90%, but this is a significant change from 5 June 21. The situation in rural areas is reported to be deteriorating.

g. The demand for oxygen remains high, but the supply is improving, and hospitals are coping. Case numbers have fallen, but the existing figures remain high and there is a possibility that rising demands for bed space may again result in closure. Treatment of non-COVID patients is not assured, but confidence is returning, and more patients are being seen.
