For HRH The Prince of Wales. Colonel in Chief the 2nd Gurkha Rifles (The Sirmoor Rifles) from All Members of the Sirmoor Rifles Association. We send you and your family our deepest sympathy and sadness at the death of your father, HRH The Duke of Edinburgh. He was held in the highest affection by all Gurkhas and was deeply admired for his selfless devotion to duty, sense of humour and easy rapport with all ranks. We recognise these are difficult and sad times. Be assured that in the days and months ahead you and your family will be firmly in our thoughts and our prayers. The Sirmoor Rifles.
