Production company

Bad Robot Productions for HBO Max

THE GURKHA (MALE, 30-49 YEARS)

A Nepalese man in his 30s-40s. An enigmatic and intimidating figure, a seemingly unstoppable yet shrewd killing machine. Less because of his stature than his look, which should send chills down our spines. Taciturn and physically capable, this is a very action/stunt-heavy role with limited dialogue. This role is ex-Gurkha. Professional acting experience is not essential but martial arts experience is a must. TBC MULTI-SEASON. HBO MAX: We are committed to providing equal employment opportunity and prohibit all forms of unlawful discrimination and harassment based upon ages 40 or over, ancestry, color, gender, gender expression, gender identity, genetic information, marital status, medical condition, mental or physical disability, military and veteran status, national origin, pregnancy, race, religion, sex, including breastfeeding or medical condition relating to breastfeeding, sexual orientation, or any other basis protected by law. Covid-19 Notice: Production will comply with applicable health and safety laws and regulations relating to the COVID-19 pandemic. Actors will be required to comply with Production's then-applicable COVID-19 protocols, including any advance testing and negative test result requirements. Employment will be contingent upon receiving a negative pre-employment test result. Current protocols require testing approximately three days prior to the start of services. All protocols, including timing and frequency of any required testing, are subject to change.
